To new beginnings ...

Happy New YEAR!

Dear Parents,

As a new year begins, we want to take a moment to extend our warmest wishes for a successful and fulfilling journey ahead. This is a time of fresh beginnings, where we embark on new academic endeavors, learning experiences, and personal growth.

To all the parents, we acknowledge and appreciate your unwavering support and dedication towards your child's education. Your tireless efforts in ensuring their well-being and providing them with a nurturing environment are invaluable. We wish you the strength and patience to continue guiding them on their academic path, fostering their curiosity and passion for learning.

STEAM Fair offers a platform for students to explore and excel in the fields of Science, Technology, Engineering, Arts, and Mathematics. It is a chance for them to embrace their curiosity, think critically, and apply their knowledge in real-world situations. We commend their enthusiasm and dedication towards their projects and commend them for their hard work. *To the students,* we believed in your ability to shine at the STEAM Fair. Each and every one of you possesses unique talents and ideas that have the potential to inspire and amaze. You embraced the opportunity to showcase your passion, creativity, and problem-solving abilities. Believing that success does not solely lie in the final outcome but also in the process and the perseverance you have demonstrated along the way.

IN DEPTH

IN DEPTH: Improve Your Studying Habits!

Study habits...

How do I study?

Am I doing it right?

What do I do?

- Your focus in class is 75% of your learning.
- Eliminate distractions.
- Take regular short breaks to stay focused.
- Always use teachers' materials and notes.
- Be self independent.
- Take initiative to research more!
- Use books only as evidence of studying.
- Do not 'eye-study' you should always WRITE.
- Always use a pen.
- Keep a good rapport between you and your teachers.
- Ask questions.

Parent-Teacher Conference ..

Collaborating
for the
Success of
our Children.

Parent/Teacher
Conferences

Our parent-teacher conference is always a great way to facilitate open communication between parents and teachers. It allows parents to gain insight into their child's progress, strengths, challenges, and overall academic and social development. It also provides an opportunity for teachers to share information about the curriculum, teaching strategies, assessment methods, and any additional resources or support that may benefit their children.

Ultimately, the aim is to collaborate and work together to best support the student's educational journey.
